EDUCATION SUPPORT VOLUNTEERS

PURPOSE OF ROLES

Across multiple roles, our purpose is to inspire and support the next generation of learners by creating fun, caring, and engaging environments where children grow in literacy, language, and social-emotional skills. By mentoring students and nurturing their confidence, these roles help them succeed in school while sparking curiosity and excitement for STEM through creative, hands-on learning that opens doors to future careers and possibilities.

DESCRIPTION OF ROLES

Little Genius Circle Time- Volunteers lead interactive story time, songs, and sensory-based learning activities that encourage curiosity and early cognitive development.

Mastermind Tutorials- Volunteers work one-on-one or in small groups to tutor students in reading, writing, math and science. Fluency in other languages preferred.

Literacy Circle-Volunteers lead gr

STEM Klub- Volunteers assist in facilitating experiments, coding, activities, and engagement challenges that encourage creative problem solving.

KEY RESPONSIBILITIES

- Lead Circle Time, early literacy and pre-math activities
- Encourage positive peer interactions and cooperative play
- Support students with homework, skill-building, and STEM projects.
- Foster curiosity, critical thinking, and teamwork in a safe environment.
- Adapt strategies to meet diverse learning needs.
- Collaborate with RMHC Education Support Manager to track progress.
- Share tips with caregivers to extend learning at home.

QUALIFICATIONS

Strong academic skills and a passion for helping students succeed. Experience in tutoring is helpful but not required.

REQUIREMENTS: 18 years or older and must successfully pass a background check
