RMHC-GH at Texas Children's Hospital
HOUSE/FAMILY LOUNGE VOLUNTEER

Purpose of the Role

The **House/Family Lounge Volunteer** at Texas Children's Hospital (TCH) provides vital support to families by assisting in both the RMHC-GH House and Family Lounges. Volunteers help maintain the RMHC-GH spaces within TCH, ensuring they remain warm, welcoming, and comforting for families with children in the Neonatal Intensive Care, Cardiovascular Intensive Care, and Pediatric Intensive Care Units.

Description of the Role

House Volunteers help maintain a welcoming space where families can find solace and support during challenging times by performing essential tasks, such as *cleaning and stocking house lounges, preparing guest rooms for overnight guests and nappers, assisting with delivery drop-offs, preparing linen packets, and supporting the House Manager with light administrative duties.*

This role may be a good fit for you if you have the following qualifications:

- Willingness to perform light housekeeping tasks
- Energetic and able to walk long distances within the hospital
- Comfortable working independently or with a team.
- Empathetic and compassionate, with a genuine desire to support families
- Comfortable engaging with families of seriously ill children in a respectful and understanding manner.

LOCATION: Texas Children's Hospital (TCH): 6621 Fannin St., Houston,

REQUIREMENTS:

- At least 18 years old
- Successful completion of background check
- Proof of immunizations **(PLEASE NOTE: proof must provide at interview to be considered for this role)**

SHIFTS AVAILABLE: We offer flexible volunteer opportunities every day of the week, with 3-hour shifts available between 9:00 AM and 9:00 PM.
